BT DIRT HOLDINGS LLC  
ATTN: HOWARD NICHOLS  
30436 N SIERRA VISTA DR  
QUEEN CREEK, AZ 85142

Dear Landowner:

The following information must be reported to the Arizona Department of Water Resources (ADWR) and is being provided to aid you in filing your Annual Water Withdrawal and Use Report with ADWR.

Your GFR# or BMP#

58-105190.0003

Water Delivered through Turnout(s):

C-5

The total amount of water in acre feet delivered to your property in 2011 is as follows:

In-Lieu/CAGRD	In-Lieu/Gilbert	In-Lieu/AWBA	In-Lieu/RCM	Surface	Total
73-534888.0101	73-534888.0700	73-534888.0301	57-534888.0604		
0	0	0	143.17	0	143.17

The District has agreed to pay, on behalf of the landholder/wateruser, the \$3.00 per acre foot withdrawal fee subject to groundwater usage. Therefore, it is imperative that all In-Lieu water delivered to your property be reported as "In-Lieu groundwater" with the correct permit holder (CAGRD, RCM, GILBERT, or AWBA) on the ID Summary of your Annual Report from ADWR. Also, that the In-Lieu be reported on the Groundwater Summary by writing in "In-Lieu delivered by 57-2511" under the groundwater withdrawn box. This will avoid your having to enclose the withdrawal fee when mailing your report.

New Magma Irrigation & Drainage District is also required to file an Annual Water Withdrawal and Use Report with ADWR on behalf of the District deliveries. So that both the District and Landowner report in the same fashion, we'll need to receive copies of all your ADWR filings.

Thank you in advance for your cooperation and should you have any questions, please call me at (480) 987-3461.

Sincerely,

Bill Meschede  
Admin.Assistant

#### Table of acronyms:

GFR# - Grandfather Right Number

GW - Groundwater

AWBA - Arizona Water Banking Authority

GILBERT - Town of Gilbert

RCM - Resolution Copper Mining, LLC
